Athens Administrators has been named as one of the *Best Places to Work in San Diego*. The annual list of the *Best Places to Work in San Diego* was created by the *San Diego Business Journal*.

This is a competitive process, which involves many outstanding companies who are all vying to be recognized as a Best Places to Work. The survey and awards program was designed to identify, recognize, and honor the best employers in San Diego, benefiting the county's economy, workforce, and businesses. The list is made up of 100 companies split into four categories: 42 small-sized companies (15-49 US employees), 28 medium-sized companies (50-249 US employees), 18 large-sized companies (250-1,999 US employees), and 12 mega-sized companies (2,000 or more US employees). We are honored to announce that Athens Administrators made the cut and is recognized as one of this year's *Best Places to Work in San Diego*.

Companies from across the county entered the two-part survey process to determine the *Best Places to Work in San Diego*. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems, and demographics. The second part consisted of an extensive employee survey to measure the employee experience. The combined scores determined the top companies and the final ranking. Best Companies Group managed the overall registration and survey process in San Diego, analyzed the data, and determined the final rankings.
